

PSYCHO DEATH PUNK

BAND BIOGRAPHY

Psycho Death Punk is a new three-piece high-energy jam band from Detroit defining a brand new style of punk/metal/grunge music.

Psycho Death Punk, as the name might suggest, is found at the heavier end of the musical spectrum. It is a place where all manner of genres mix and meld, where the grunt and grit of grunge blend with punk's blunt sonic trauma. Where the majesty of metal is tempered and restrained by the more direct deliveries of hard rock, it is a place where melody and muscle are found in harmony.

Psycho Death Punk's eponymous album showcases a skillful blend of heavy rock genres that masterfully balance groove, power, melody, and grit. Their take on the style is to take garage rock tones and industrial textures and drape them on a slow jam of power and, in its own way, poise.
